In re Application of :  
Yuanjie Chen :  
Application No. 09/863,522 : DECISION ON PETITION  
Filed: May 23, 2001 : UNDER 37 CFR 1.137(b)  
Attorney Docket No. 1005-0024 :

This is a decision on the petition, filed May 7, 2003, under 37 CFR 1.137(f), which is being treated as a petition under 37 CFR 1.137(b) to revive the instant nonprovisional application.

The petition is dismissed as MOOT.

An applicant who makes a nonpublication request under 35 U.S.C. 122(b)(2)(B)(I) and then rescinds (pursuant to 35 U.S.C. § 122(b)(2)(B)(ii)) the nonpublication request **before or on the date a counterpart application is filed in a foreign country, or under a multilateral international agreement, that requires publication of applications 18 months after filing**, the nonpublication request will be treated as annulled and the application will be treated as if the nonpublication request were never made. See Notice published on [www.USPTO.gov](http://www.USPTO.gov) on June 6, 2003, which clarifies the USPTO's interpretation of the provisions of 35 U.S.C. § 122(b)(2)(B)(ii)-(iv).

In the instant application, a notice to rescind was filed prior to the filing date of a corresponding application in a foreign country. Therefore, since the request to rescind received prior to the filing date of a corresponding application in a foreign country resulted in the annulling of the nonpublication request, this application is not regarded as abandoned. As such, the filing of a petition to revive is unnecessary and is dismissed as involving a moot issue.

Since this application is not in fact abandoned for the reason stated above, the petition fee of \$1300 is being credited to Deposit Account No. 50-0631 as authorized.

This application is being forwarded to Technology Center 2600 for examination in due course.
